A Note from Our President

Greetings Serrans and Friends!!!

We are blessed with many vocations in our diocese. We at Serra Club of Kansas City North are committed to praying for and supporting vocations.

Special thanks to everyone that made the Seminarian Picnic a success. We had great support from the Knights of Columbus of St. Therese, our host parish. Good people from our local Serra Club, the Downtown Serra Club and Southeast Club helping for a good cause. Twenty-Five seminarians were introduced and numerous priests from the diocese lent their support to these young men.

With our prayer, our meeting programs, our funding and our efforts of support, we hope to create an environment for ourselves, for the 12 Northland Parishes, and in the homes of families of young men and women where the Holy Spirit can stir the hearts of these men and women to serve God in a committed life.

We have completed our 2016 "Trip to Rome" raffle. Our funds support the vocation efforts of our parishes and Diocese. Thank you for your wonderful involvement and congratulations to Cheryl and Ed Wills of "Our Lady of Hope".

We have a big need for more "Hands". Join us in this important task. Your faith will grow and our faithful clergy will grow in kind.

Wayne

A Note About Our Chaplain!

Due to the lack of Internet Service at St. Andrew's, Father Barlett was unable to provide a note for this newsletter.

However, he has participated tremendously at our Serran events. See the pictures of him below! He promises to have words of wisdom for our next newsletter.

Father Barlett draws the winning Vatican Raffle ticket!
