Thought for the month:

SERRA VOCATION THOUGHT:

“Christ, who commanded prayer for the laborers in the harvest, has also personally called those laborers. But usually He calls by means of us and our words. So, do not be afraid to call. Go among our young people. Go and meet them personally. The hearts of many young people, and not so young, are ready to listen to you. Many of them are looking for something to live for; they are waiting to discover a worthwhile mission and to devote their lives to it.” POPE JOHN PAUL II
